SNOW REMOVAL IN PARKING LOTS

After a significant snowfall, or an accumulation of several smaller storms a schedule of snow removal will be posted on our website: bloompd.com, our Facebook and Twitter pages, Bloomsburg University's Today Page, local radio Station WHLM (930 AM) & The Press Enterprise.

If it is NOT on the website there is no snow removal planned yet.

Information designates dates and times of snow removal for each lot & alternative places to park. Vehicles not moved from the lots prior to plowing are subject to a \$50.00 fine and towing at the owner's expense. Signs in every lot read:

Upon the declaration of a Special Snow Condition, all motor vehicles shall be removed from the parking lot. Failure to do so shall result in ticketing and towing of the motor vehicle."
