Dear Permit Applicant:

The ability to host your event in BloomSBurg hinges on an important group of people, the BloomSBurg Fire Police. Fire police personnel are volunteers; they are not paid. They provide an invaluable service to keep your event safe. The dedicated group of men and women deserve our gratitude for the many hours they assist in traffic control at all hours of the day and night and through all types of weather.

In the past few years we have seen an increase in requests for fire police assistance, where fire police are utilized each and every weekend. Many times the fire police are directing traffic for all day events. If it were not for these volunteers, your event would not be able to occur.

When asking to host an event which include parades, processions, street assemblages or meetings that entail occupying, marching or assembling upon any public street, public parking lot, or sidewalk that will require streets to be blocked and traffic rerouted, we would ask you to consider a monetary donation to the BloomSBurg Fire Police. All donations will be used to offset costs for uniforms, portable radios, flashlights, etc. Please make your check payable to the BloomSBurg Fire Police along with your application. All donations are tax deductible.

Should you have any questions, please contact Chief of Police, Scott Price at (570) 784-4155, ext. 168.

Thank you for your consideration!
