Date: Wednesday, February 3, 2021

Subject: Snow Removal

The Bloomsburg Police Department is notifying all residents that snow removal operations are underway after 12 plus inch snow fall. Beginning at 3:00 AM Thursday February 4, 2021 Bloomsburg Public Works will be removing snow on Main Street between East Street and West Street, and on East Street between E. Main Street and E. 5th Street. No parking will be permitted on the street in the above listed locations. Any vehicles found parked on the street after 2:00 AM Thursday February 4, 2021 will be subject to ticketing and towing.

Bloomsburg Public Works has removed some snow from the Town's municipal parking lots in areas not occupied by vehicles. To facilitate further snow removal those vehicles occupying unplowed areas of the parking lots should be moved to the plowed portion of the parking lot.

All residents are reminded that street maintenance will be enforced next week (the first full week of the month). To avoid receiving a parking ticket residents must follow the signs posted on their street advising the day and time parking is prohibited.

Please monitor our Facebook page and our webpages at www.bloompd.com or www.bloomsburgpa.org for the latest information as it becomes available.
